So now we've got you thinking, "... how do I get my chance to play with a Pro?" Right? Well, here are some tips. To begin with you have to be in it to win it... and, it's all about "fun"draising!

Amateur player-partners may purchase raffle tickets starting from the time that they complete their registration until about 15-minutes before winners are drawn.

Local Guam amateur players win the raffle draw to split and play with Hiroyo Kenada and Megumi Murakami of Japan

Following the end of each of the exhibition matches, our MC pulls out the lucky raffle winners (amateur players) tickets, who then get to draw blindly from a box to see which pro players they will split with their partner.

Partners decide between themselves who will play with which pro and the new matches enter the pool play and double-elimination portion of the weekend long event vying for over US\$15,000 in prizes.

Kaalamang Pan-Atleta

Ang Marianas Cup Beach Volleyball Festival ay isang paraan ng pagsasanib ng angkang galling ng mga propesyonal na manlalaro sa larangan ng volleyball at ang kakaibang dedikasyon ng mga baguhang atleta. Sa paglipas ng panahon, ang torneong ito ay naging bigkis ng mga propesyonal na manlalaro mula sa Estados Unidos, Bansang Hapon, Korea, Italya, New Zealand, Rusya at Europa.

Si Phil Dauhasser, isang Beijing Olympian, ay naglaro sa larangang ito mula taong 2006 hanggang 2009.

Ang torneo ay ginaganap sa katapusan ng linggo ay sinisimulan sa pamamagitan ng “exhibition game” sa pagitan ng mga propesyonal na manlalaro, kabilang na ang mga babae at lalaking koponan. Ang bawat koponan ay nahahati ayon sa bansa o naayon sa pagpili ng mga Pro na manlalaro. Sa taong 2008, ang palaro ay opisyal na hinirang ng FIVB bilang isang “exhibition match”.

Marahil ay mapapaisip kayo, “Kung ganun, papaano ko makakalaro ang isang PRO?” Narito ang pinakamainam na paraan ng pagsali.

Una, kailangan ng inyong pagrehistro para sumali. At syempre, kinakailangan ng puspusang gawain para makakalap ng sapat na pondo.

Ang mga gusting makalaro ang mga PRO ay dapat na bumili ng mga “raffle tiket” simula ng pagrehistro hanggang sa humigit-kumulang 15 minutos bago ang paghirang sa mga mananalalo.

Pagkatapos ng bawat “exhibition match”, pipili ang tagapangasiwa ng masusuwerteng kalahok sa “raffle draw” na karaniwang mula sa mga baguhang manlalaro. Ang mga mananalong ito ay siya naging pipili ng tiket mula sa isang kahon para malaman kung sino ang kanilang makakapareha mula sa liga ng mga PRO na manlalaro.

Ang bawat tambalan ay magdedesisyon kung sino sa kanilang makakapares sa kaninong PRO. At ang bagong koponan ay ipapasok sa “pool play” at “double elimination”. Sa buong palarong ito, ang lahat ay may pagkakataong makakuha ng mahigit sa \$15,000.00 (labinlimang libo dolyares) na kabuuang premyo.
